# TAKE NOTES FROM A NEW-SEASON MASTERCLASS

Look Of The Week | Estelle Adjei | 30 September 2016

You know you're one helluva woman when you can work a trophy jumper and trousers and still make them look effortless. Say hi to Lisa Hahnbück's romantic-meets-grunge masterpiece – she was the first, but she won't be the last...

Here's how: start with an oversized ruffle-detail sweatshirt in new-season dark green (great for Granny's Attic vibes) and pair with fancy-hem flared jeans and fishnet socks – v Grunge Spirit. Then layer a couple of fine gold pendants (it's all in the detail, people), and add a cool statement ring. Finish with sassy pointed mules and a bright bag.
