WHAT TO WEAR TO WORK: PATRICIA MANFIELD SHUTS IT DOWN

What To Wear To | By Estelle Adjei | 11 October 2015

Just when you thought you could wave goodbye to your SS15 wardrobe, the sun has decided to hang around for a bit longer. Take a style cue from Italian blogger Patricia Manfield and make the most of the hazy rays by pairing a sleek skirt with a pretty pastel knit. Pull it all together with a feathered skinny belt et voilà – own the office like the girl boss you are.
